Boarding Weekends

Day and boarding prep school children attend Saturday School. Saturday's schedule consists of a bespoke programme of morning lessons for children to work toward their Keys Diploma followed by sports fixtures in the afternoon.

Weekends are cherished time for our full boarders. There is a more leisurely pace and children get to enjoy more of their favourite part of boarding – being with their friends. Saturday evenings are immense fun. After some down time and supper, Saturdays often involve relaxing with a film and enjoying a cheeky treat of popcorn or milkshakes.

Sundays offer a gentle start to the day with a 'pyjama breakfast' at 9am. Each weekend there is either an on-site activity such as zorbing, a scavenger hunt or circus skills or off-site activities such as bowling in Guildford, visiting the cinema in Portsmouth or ice-skating in Winchester. Our Secret Santa at the end of the Autumn Term is always extremely popular and often sees our weekly boarders staying for the weekend.
