

POLICY ON SAFER RECRUITMENT OF NEW STAFF AND GUIDANCE ON RECRUITMENT AND SELECTION OF STAFF

Highfield and Brookham School follows the DfE guidance – ‘Working Together to Safeguard Children’ (July 2018) and ‘Keeping Children Safe in Education’ (September 2023).

Highfield and Brookham School is committed to safeguarding and promoting the welfare of children and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service. The School will also check that anyone seeking employment as a teacher is not subject to a prohibition order issued by the Secretary of State, disqualified from teaching, or subject to a prohibition from the management of independent schools’ direction. We believe that this will help prevent, reject or identify those people who might abuse children.

We wish to appoint the most suitable person for each vacant position regardless of age or perceived age, marital status, gender, racial or ethnic background, religion or belief, sexual orientation, gender reassignment or disability. In addition, we will take no account of an applicant’s membership or non-membership of a trade union.

We intend to deter prospective applicants and to identify and reject applicants who are unsuitable to work with children. Existing employees, employees on fixed or temporary contracts will be invited to apply.

We expect all applicants to declare whether they are in a close relationship with any employee, worker, volunteer, director or anyone else connected with this school, as we wish to encourage and promote an open and transparent recruitment process.

We believe our recruitment and selection process is systematic, efficient, effective and equal.

Highfield and Brookham School has staff trained in safer recruitment, one of which will be present at all interviews.

Policies relating to Staff Recruitment, Induction and Child Protection include the following:

- Highfield and Brookham School’s Safeguarding and Child Protection Policy and Procedures
- Highfield and Brookham School’s Code of Conduct for Staff

This policy includes guidance on recruitment and Selection of Staff and **Appendix A** contains the Recruitment and Selection Checklist.

APPLICATION AND RECRUITMENT PROCESS

EXPLANATORY NOTE

Application

- Applications will only be accepted from candidates completing the Application Form in full, either downloaded from the School Website or provided with this mailing. CV's will not be accepted in substitution for a completed Application Form in the absence of good reason.
- Candidates should be aware that all posts in the school involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see Job Description for the post.
- As the job for which you are applying involves substantial opportunity for access to children, it is important that you provide us with accurate answers. You should be aware that the School will institute its own checks on successful applicants with the Disclosure and Barring Service (DBS), and, where appropriate, a check of the Barred List maintained by the DBS, and any offer of appointment will be made conditional on obtaining such satisfactory checks.
- If you are shortlisted, you will be required to declare any relevant convictions, adult cautions or other matters which may affect your suitability to work with children. As a result of amendments to the Rehabilitation of Offenders Act 1974 (exceptions order 1975) in 2013 and 2020, some minor offences are now protected (filtered) and should not be disclosed to potential employers, and employers cannot take these offences into account. Guidance and criteria on the filtering of these cautions and convictions can be found on the Ministry of Justice website.
- As part of the shortlisting process, the School will carry out an online search on shortlisted candidates as part of its due diligence. This may help to identify any incidents or issues that have happened, and are publicly available online, which the School may want to explore with an applicant at interview. This forms part of the School's wider safeguarding due diligence which aims to prevent and/or deter individuals who may be unsuitable to work with children from working in a school environment.
- Please read the [Highfield and Brookham Safeguarding Policy](#)
- We will seek references on shortlisted candidates and may approach previous employers not listed as referees for information to verify particular experience or qualifications, before interview.
- If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure. If you are not currently working with children but have done so in the past, that previous employer will be asked about those issues. Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to

work with children, although your duties may not have brought you into contact with children or young persons.

- You should be aware that provision of false information is an offence and could result in your application being rejected or in summary dismissal if you have been appointed and possible referral to the police and/or DfE Children's Safeguarding Operation Unit.

Invitation to Interview

- If you are invited to interview this will be conducted in person and the areas it will explore will include suitability to work with children.
- All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc.). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained from the awarding body.
- All candidates invited to interview must also bring with them:
 - a current driving licence including a photograph or a passport or a full birth certificate to verify identity
 - verification of qualifications/professional qualifications
 - a utility bill or financial statement showing the candidate's current name and address
 - where appropriate any documentation evidencing a change of name

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Conditional Offer of Appointment: Pre-Appointment Checks

Any offer to a successful candidate will be conditional upon

- the receipt of satisfactory evidence of a continuing right to work in the UK
- receipt of at least two references, which the School considers satisfactory (one of which must be from your most recent employer and/or most recent employer for whom you worked with children)
- verification of qualifications/professional qualifications (if not already provided)
- a clear check of the Children's Barred List
- a satisfactory Enhanced DBS Disclosure
- Certificate of Good Conduct. Where the successful candidate has lived or worked outside the UK in the last 5 years, we require them to contact the local police force or embassy in that/those countries to obtain a certificate of good conduct

- Completion of a Medical Fitness Declaration Form. The Declaration will be assessed by the School's medical adviser, against the job description and person specification for the role, in order to verify your medical fitness
- Attending Safeguarding and Child Protection Training every 3 years. Advance notice of training dates will be communicated and you will be expected to attend the initial training within the first 6 months of your employment
- The agreement of a mutually acceptable start date and your entering into a contract incorporating the School's standard terms and conditions of employment and any agreement relating to the terms of your occupation of school accommodation
- In the case of the Disclosure and Barring Service check result being delayed, staff may start work as long as a Risk Assessment has been undertaken, a Barred List check taken and close supervision put in place

WARNING

Please note:

- Where the candidate is found to be on the Children's Barred List, or the DBS disclosure shows s/he has been disqualified from working with children by a Court; or found to have provided false information in, or in support of, his application; or the subject of serious expressions of concern as to his/her suitability to work with children, the facts will be reported to the Police and/or the DfE Children's Safeguarding Operation Unit
- In the event that following employment, an employee receives any convictions, cautions, court orders, reprimands, warnings, bind-overs or prohibition orders that may affect their suitability to work with children, these must be disclosed to the Head.

HIGHFIELD AND BROOKHAM SCHOOL MEDICAL DECLARATION POLICY FOR STAFF

Highfield and Brookham School takes its child protection and other legal responsibilities very seriously. Any offer of appointment to a successful candidate will be conditional upon the satisfactory completion of those pre-appointment checks that are prescribed by the law. This includes a medical check that confirms a teacher's mental and physical fitness to teach and fitness to carry out the duties of the post for which they are applying.

We are an equal opportunities employer and welcome applications from all candidates. All candidates offered employment are asked to complete identical pre-employment Medical Declarations. The Declaration will be assessed by the School's HR Manager, against the job description and person specification for the role, in order to verify your medical fitness.

All candidates offered a teaching post, or one of the key non-teaching staff posts; the Bursar, Estate Manager etc., may also be asked to obtain a letter of medical clearance from their own GP before their appointment is finalised, if this is a recommendation of the School's HR Manager.

Candidates should bear in mind that the law provides that they must consent before a medical report can be obtained from their *own* doctor for employment purposes, and that they are entitled to see their report. (The school will meet any costs of the medical examination).

An example of our confidential pre-employment Medical Declaration is attached. All completed Declarations are returned to the HR Department and are stored securely in personnel files. Access is restricted to the HR Manager / HR Administrator, who will advise the Headmaster/Headteacher on the appropriateness of confirming the appointment. Thereafter, they will form part of an employee's medical records and will not be disclosed to any third party. Medical records are securely destroyed after an individual leaves the employment of the school.
