The swimmer will be required to adhere the Highfield School Head Injury policy whereby they follow the Gradual Return To Play (G RTP) tracker. A copy of the Head Injury policy together with the G RTP tracker can be found under the Lessons and Fees section of the Swim School page on the Highfield and Brookham School website. Any bank charges we incur due to returned payments and lost cheques will be passed onto the parent.

ALL lessons, regardless of pupil absence due to illness/School trips/events/activities (including Highfield and Brookham trips/events/activities) are charged for.

Please note that the term dates for Swim School follow the State School calendar rather than the Independent School calendar and therefore lessons often run outside of the Independent School terms and in some cases do not run concurrently. At times when county councils do not co-ordinate their holiday dates with one another resulting in a mis-match across different schools, we reserve the right to select whichever holiday date is most feasible for the Swim School.

CANCELLATIONS/TERMINATION OF SWIMMING PLACE

Lessons are available for children up to the age of 14yrs. Once a child reaches this age, they will only be able to continue until the end of the term in which they are currently swimming. It is the parent's responsibility to inform the Highfield School of Swimming when their child reaches 14yrs of age.

Highfield School of Swimming reserves the right to cancel a lesson at any time.

Lessons can be affected and/or cancelled due to a number of eventualities that are out of our control including; last minute coach absence, power cuts which result in the pool water temperature being too cold, vomit/faeces in the water, fire, serious accident/injury and adverse weather conditions/disaster.

As these eventualities are all out of our control and therefore are not possible to be foreseen, in the first instance of a cancellation being necessary due to these circumstances, the lesson will not be credited. Any further cancellations by the Swim School, regardless of circumstance, will be credited.

There are two exceptions to the above whereby a credit will be given even in the first instance of a cancellation:

- 1) cancellation due to pool chemical irregularities. As these are more often than not within our control, we shouldn't ever have to cancel due to this circumstance. However if we do have to cancel for this reason, a credit will be given
- 2) if a coach has to be absent and they give sufficient notice to enable the Swim School to try and organize cover for their lesson(s), but cover cannot be found and the lesson has to be cancelled, either an alternative lesson with a different group could be offered for that week to make up for the missed lesson, or a credit will be given.

If a swimmer is not returning the following term, a refund for the total amount of cancelled lessons in the previous term will be given. **PLEASE NOTE:** a refund cannot be given if original payment for the fees was made with Childcare Vouchers or the Tax Free Government Scheme.

1:1/1:2 lessons can be kept by the same pupil(s) for a maximum period of 1 academic year only i.e. 3 terms. At the end of this time period, the place will be offered to the next pupil on the waiting list. In the case that there is no-one on the waiting list, the place will be offered back to the current swimmer.

Highfield School of Swimming will endeavour to give as much notice as possible of any Highfield School events that require use of the pool and therefore prevent swim school from taking place. All cancelled lessons in this instance will be credited to your account.
